DEPUTY CLERK OF DISTRICT COURT

CIVIL ACTION NO. 32940

**ORDER ON FINAL HEARING, FINAL CERTIFICATION OF ANADARKO
SETTLEMENT CLASS, AND APPROVAL OF ANADARKO CLASS SETTLEMENT**

Pursuant to the provisions of the Court's *Order on Class Representatives' Motion for Preliminary Approval, Hearing and Provisional Certification of the Anadarko Settlement Class* ("Preliminary Order"), as well as the provisions of the *Notice of Pendency of Class Action Proposed Settlement with Defendant Anadarko E&P Onshore, LLC, successor to Lance Oil & Gas Company, Inc.* ("Class Notice") provided to Settlement Class members as provided in the Preliminary Order, a final hearing on the reasonableness and fairness of the proposed settlement in this class action was held on January 23, 2015 at 8:30 a.m., at the County Courthouse in Gillette, Wyoming, before the Honorable Thomas W. Rumpke. At the hearing, John C. McKinley appeared and represented the Class Representative and Settlement Class as Class Counsel, and

166

Anadarko's counsel appeared and represented the Defendant Anadarko E&P Onshore, LLC, successor to Lance Oil & Gas Company, Inc. ("Anadarko").

Pursuant to Wyo.R.Civ.P. 23 and 54, the COURT FINDS AND ORDERS AS FOLLOWS:

1. Plaintiff filed a suit against Anadarko alleging individual claims and class action claims seeking, among other things, declaratory, injunctive and compensatory relief. Plaintiff sought certification of a class, including Plaintiff, under Wyo.R.Civ.P. 23(b)(2) for declaratory and injunctive relief, and a class under Wyo.R.Civ.P. 23(b)(3) for money damages. The Court certified the class, ordering that the Plaintiff would serve as Class Representative and Plaintiff's counsel would serve as Class Counsel.
2. As a result of negotiations, the parties agreed to settle this action on the terms now memorialized in the Settlement Agreement, executed by and between the parties (the "Settlement Agreement"). The Settlement Agreement is attached as Exhibit 1 to the *Stipulated Motion for Preliminary Approval of Class Settlement Agreement and Notice to Potential Class Members* ("Motion"), and incorporated fully herein. All capitalized terms used in this Order and not defined herein shall have the meanings set forth in the Settlement Agreement. In the event of any conflict between the descriptions in these paragraphs and the more detailed terms of the Settlement Agreement, the Settlement Agreement shall control.
3. This suit involves claims brought under the *Wyoming Royalty Payment Act*, Wyo. Stat. §§ 30-5-301, et seq. including Disputed Tax Deductions Claims, Statutory Interest Claims and Attorneys' Fees Claims, as those terms are defined in the Settlement Agreement.

4. The Court has jurisdiction and venue over this suit and the Settlement Class. Under Wyo.R.Civ.P. 23(e), approval of this Court is required for any settlement and dismissal of this action.

Certification of the Settlement Class

5. The Settled Claims as defined in the Settlement Agreement all arise from the same nucleus of operative facts and form part of the same case or controversy as alleged against Anadarko in Plaintiff's Complaint so that all of the claims approved for settlement by this Order were or could have been asserted as class claims in this Action.

6. The Settlement Class Members are so numerous that joinder is impractical.

7. There are questions of law and fact common to the Settlement Class Members and Plaintiff.

8. The questions of law and fact common to the Settlement Class Members predominate over any questions affecting only individual members, and a settlement of Settlement Class Members' Settled Claims by a class action under Wyo.R.Civ.P. 23 is superior to other available methods for the fair and effective settlement and adjudication of the controversy.

9. Plaintiff's claims are typical of the Settlement Class Members' claims.

10. Plaintiff is an appropriate representative of the Settlement Class and has and will fairly and adequately represent the interests of the Settlement Class Members.

11. Settlement Class Members have no special interest in individually controlling the prosecution of separate actions.

12. Class Counsel is experienced and fully qualified.

13. No significant difficulties are likely to be encountered in the management of the action as a class action for settlement purposes.

14. The Court hereby certifies as members of the Settlement Class the list of Royalty Payees set forth in Exhibit 1-A to this Order. This list includes all Royalty Payees who have not opted out of the class by filing a timely notice of their request to be excluded from the Settlement Class. Set forth in Exhibit 1-B are those Royalty Payees who have opted out of the class by notifying the Court of their election to be excluded from the Settlement Class and have not timely revoked their election.

Notice of Pendency of the Class Action Proposed Settlement And Hearing

15. Pursuant to the Preliminary Order, and Wyo.R.Civ.P. 23(e), Class Counsel provided notice to the parties listed on Exhibits 1-A and 1-B of the compromise and settlement reached in this action via the Class Notice. A copy of the Class Notice is attached as Exhibit 2 to the Motion and is incorporated fully herein (“Notice”).

16. According to the *Report on Status of Class Notice Pursuant to Wyo.R.Civ.P. 23(c)(2)* filed with this Court by Class Counsel (“Class Counsel’s Report”), the Notice was sent via *United States Postal Service Priority Mail* to all parties listed on Exhibits 1-A and 1-B. *Class Counsel’s Report* confirms (1) no objections were filed to the Class Settlement and (2) the Royalty Payees on Exhibit 1-A remained as Settlement Class Members.

17. Reasonable and adequate notice of the certification of the Settlement Class and the settlement of the Settlement Class Members’ Settled Claims was given through mailing of the Notice as approved in the Court’s Preliminary Order.

Approval of the Settlement Agreement

18. The settlement was made in good faith.
19. The Settlement Agreement constitutes a fair, adequate and reasonable settlement of all Settled Claims.
20. This Court finds after considering all the circumstances that the Settlement Agreement is fair, equitable and reasonable and should be approved.

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

- a. The Settlement Class Members listed in Exhibit 1-A are certified as a class under Wyo.R.Civ.P. 23 for purposes of settlement only of Settled Claims, and shall proceed with settlement as provided in this Order and the Settlement Agreement, and with regard to Class Members who are deceased or transferred their interest, class counsel is authorized to distribute their proceeds to the heirs, assignees or successors;
- b. As of the Approval Event, any Settlement Class Member who has not timely and properly opted out of the Settlement Class shall be deemed, by that fact, to have released Anadarko and Lance Additional Parties from all Settled Claims as provided in the Settlement Agreement whether or not the Settlement Class Member endorses and presents a Distribution Check;
- c. Following the Approval Event, each Settlement Class Member as defined shall become fully bound by all of the releases of Settled Claims and fully bound by other obligations and conditions as set forth herein and in the Settlement Agreement, including but not limited to the Royalty Payment Tax Deduction Methodology;

d. Except as necessary to enforce this Order and the Agreement, Plaintiff, Settlement Class Members and their heirs, assigns, and successors are forever barred from bringing claims against Anadarko or Lance Additional Released Parties for Settled Claims as set forth in the Settlement Agreement.

e. Anadarko has escrowed with the First Interstate Bank, ("Escrow Agent") the sum of Two Million Eight Hundred and Twenty Five Thousand Dollars (\$2,825,000.00) Dollars ("Escrow Amount") in accordance with the Settlement Agreement.

f. The date of distribution of the Escrow Amount shall be January 28, 2015.

g. The Escrow Amount shall have accrued interest in the amount of \$383.13 through the date of distribution. All such interest should be payable to Settlement Class Members. Class Counsel will receive no portion of the interest.

h. The aggregate amount to be paid from the Escrow Amount to Plaintiff and Settlement Class Members, including interest, is and shall be \$1,584,070.20 ("Settlement Amount"), which amount shall be paid to Class Members by Class Counsel in the amounts as set forth in Exhibit 1-A to this Order. Pursuant to the Settlement Agreement, the sums attributable to Opt-Out Claimants, including interest, in the amount of \$11,823.34 as set forth in Exhibit 1-B shall be returned to Lance.

i. The reasonable fees and costs of Class Counsel are and shall be \$1,229,489.59 ("Permissible Class Counsel Fees"), which amount shall be paid to Class Counsel. Included in Permissible Class Counsel Fees are Administration Costs and Litigation Costs.

j. Upon entry of this Order, and satisfaction of the Approval Event, as that term is defined in the Settlement Agreement, Anadarko and Class Counsel shall instruct the Escrow Agent to release from the Escrow Account all funds to be paid according to the Settlement Agreement. This amount will be released per the Settlement Agreement to pay the amounts to be distributed to Settlement Class Members, the Permissible Class Counsel Fees, and to refund to Anadarko that portion of the Escrowed Amount attributable to those sums that would have been paid to Potential Class Members listed in Exhibit 1-B to this Order who have requested to be excluded from the Settlement Class.

k. Class Counsel shall use any tax identification information provided by Defendant only for the purposes of distribution of the Settlement and relevant tax reporting documents. Defendant is authorized to provide Class Counsel with such tax identification information.

l. No funds will remain in the Escrow Account after release of the funds and the refund to Anadarko except for those returned under the timing and requirements of the Settlement Agreement.

m. The Court shall retain jurisdiction to the extent provided in the Settlement Agreement.

n. Upon entry of this Order, and satisfaction of the Approval Event, as that term is defined in the Settlement Agreement, Class Counsel and Defendants shall file a stipulated satisfaction and order of dismissal with prejudice of all Settled Claims as defined in the Settlement Agreement. The order of dismissal with prejudice of the

Settled Claims shall be entered by the Court and shall be considered a final appealable order under Wyo.R.Civ.P. 54.

o. This Order affects the interests in real property identified as the property from which Hydrocarbons are produced or will be produced from the Lance Wells and from wells drilled and which may produce Hydrocarbons from the Lance Properties held by Settlement Class Members listed in Exhibit 1-A to this Order.

DONE IN OPEN COURT this 23rd day of January, 2015.
